Case No. 3:10-cv-082

District Judge Walter Herbert Rice
Magistrate Judge Michael R. Merz

ORDER DENYING STAY

This case is before the Court on Defendant Capital City Steel's Motion to Stay Discovery and Upcoming Pretrial Deadlines until after the Court decides its Motion to Dismiss for lack of personal jurisdiction.

The Motion is denied because it does not show compliance with S. D. Ohio Civ. R. 7.3. Moreover, for the reasons set forth in the Report and Recommendations, the Motion to Dismiss is completely without merit and borders on being sanctionable under Fed. R. Civ. P. 11. Finally, even if the Motion to Dismiss were granted, presumably the Plaintiff would immediately refile in whichever United States District Court embraces the corporate headquarters of Capital City and the same discovery would be needed.
